LIABILITY RELEASE

(Read before signing)

Kualoa Education Activities

The undersigned realizes that participating in activities at Kualoa Ranch Hawaii may involve walking, hiking, and working around and in undeveloped areas. Caution is to be exercised AT ALL TIMES to avoid slipping or falling as the terrain may be uneven, and the roads, trails, and activity areas may be rocky, muddy, and slippery. There may be certain inherent risks, natural or otherwise, that are associated with certain activities. If the participant has an open wound or cut, has special needs, or any other condition that we should know about, for the participants safety and the safety of others, please bring it to our attention PRIOR TO YOUR ARRIVAL, or as soon as you arrive at Kualoa Ranch. Covered shoes are required to participate.

When applicable, certain experiences will require traveling through undeveloped terrain in an open vehicle. The roads may be rough and there may be stops along the way where people may get out of the vehicle to see and explore different facilities, exhibits and environments. It is important that each person on the tour understands that the terrain may be uneven and to use caution getting in and out of the vehicle.

I have read all of the above and signing this waiver constitutes an agreement between the undersigned and Kualoa Ranch Hawaii, Inc. (KUALOA). Each person signing this waiver agrees to take full responsibility for themselves and/or their children and agrees to hold KUALOA, its owners, officers, employees or any other persons directly or indirectly involved with KUALOA harmless for any injury, damage, death or other loss that may arise out of participating in this activity.
